

- Professional-use space: The Department has five professional classrooms including one Individual Consulting Room, one Group Work Room, one Seminar Room, one Multifunction Conference Room, and one Student lounge.
- The Department works closely with over 60 social service agencies, and the social service division of the Presbyterian Church of Taiwan, to provide hands-on learning experience and evidence-based research opportunities.
- International study opportunities are available through our relationship with the social work departments of other Christian Colleges.
