【比賽關卡介紹 / How to compete?】

第一關 漢語傳說 Game 1: Whisper in Chinese (maximum score: 36)

這個比賽需要 8 個隊員同時上場，這 8 個隊員在台上排成一列，除了第一個隊員以外，其他隊員都要戴好耳塞。第一個隊員將會抽出漢字題目，並將題目以中文發音給下一個隊員。其他隊員只有在輪到他/她時，才可以拿下耳塞。每個隊員必須以中文或拼音在白板寫下聽到的答案，然後將訊息繼續唸給下一個隊員。每一個正確的答案，可以為該隊獲得 2 分，最後一個隊員答對，則可為該隊額外取得 4 分。每隊可進行 2 次。本關最高分 36 分。

This game will need 8 players from the team. The 8 players will line up in a row and wear ear plugs except the first player. The first player will be the person who reads the Chinese characters and passes it on to the next player by pronunciation. The other players take off the ear plugs only when the message is passed to him/her. Every player has to write down the answer, either in Chinese characters or in Pinyin, on the white board after hearing the message. After writing the answer, he or she has to pronounce it to the next player. The team will be rewarded 2 points for each correct answer. If the last player has the correct answer, extra 4 points for the team will be given. Each team will play for 2 rounds.

第二關 漢字拼圖 Game 2: Chinese Puzzle (maximum score: 40)

參賽隊伍必須在 5 分鐘內，盡可能把漢字填滿大海報上的空格。每隊每次只能派出一個隊員填寫答案，其他隊員必須在等待線後準備。填完答案的隊員回到等待線，下一個隊員才可以前去填寫答案。每個正確的漢字可獲得 2 分，本關最高分 40 分。

This game will require the players to fill in certain Chinese characters as many as possible in 5 minutes. The team should only send one player to the answer board at the time. The other team members must remain behind the waiting line until the player gets back. The team will get 2 points for each correct Chinese character. The possible highest scores of this game will be 40 points.

第三關 漢語導遊 Game 3: Guide in Chinese (maximum score: 24)

每隊每次應派出兩人，一人擔任「導遊」，以中文指引方向；另一人擔任「矇眼者」，聽從指引。導遊將隨機抽一張卡片，交給矇眼者，矇眼者要聽從指引，將卡片移動到正確的位置。放置妥當後，該隊可派出另外兩人擔任導遊和矇眼者，依序完成 9 張卡片。每正確完成一張卡片，該隊可以獲得 2 分，最早正確完成 9 張卡片的隊伍，可以額外獲得 6 分，第二隊正確完成的隊伍，可以額外獲得 5 分，以此類推。本關最高分 24 分。

The team should send two players at one time. One player would be the 'Guide' who gives directions in Chinese. The other would be the Blindfolded who wears the eye mask and follows the directions. The Guide will draw a card randomly and hand it to the Blindfolded. The Blindfolded will follow the directions and move the card to the correct position. After putting the card at the correct position, the team can send next two players to be the Guide and Blindfolded until the game is completed. The team will get 2 points for each card located correctly. The first team that finishes all of the 9 cards correctly will get extra 6 points. The second team will get extra 5 points and so on. The possible highest scores of this game will be 24 points.
