

CJCU Academic Research Ethics Education Course Implementation Regulation

Approved by the 2015 First Semester End Academic Affairs Meeting on 12-29-2015

Amended and Approved by the 2015 Second Semester School Course Committee on 05-19-2016

Approved by the 2015 Second Semester End Academic Affairs Meeting on 06-07-2016

Article 1: CJCU has established the "Academic Research Ethics Education" Course (hereafter the "Course") implementation regulation to enable the students to have correct ethics awareness and attitudes needed to conduct research work.

Article 2: This is a required e-learning course with 0 credit. Students shall watch the course via the Center for Taiwan Academic Research Ethics Education website and pass the examination in order to obtain proof of coursework completion.

Article 3: Doctoral and Master's graduate students shall pass the examination of this online Course before applying to take the degree examination, and those who have not passed the Course shall not apply for the degree examination.

Article 4: This Regulation is established by the Academic Affairs Meeting and approved by the Academic Affairs Meeting before implementation, and the same shall apply to its amendments.
