

2019 CJCCU CUP

Innovation & Entrepreneurship

Award-SDGs Future Influence.

Total prize money NT\$100,000!

Get up to NT\$1,500,000 U-start program grant!

Theme

The core spirit of this competition is to achieve the 17 sustainable development goals of the United Nations SDGs. It aims to cultivate students' spirit of sustainable development, and to enable them to solve real social problems, to develop the concepts of observing problems, to expand the international perspective from the discussions of life issues and to think creatively and solve problems. Hopefully through the competition students can use innovative methods to solve problems and try to create a sustainable business model and pursue a better and sustainable environment in the future.

Eligibility

Any current student who is interested in the competition and who is interested in starting a business is welcome to enter the competition. Sign up as a team of at least three students and at least one instructor. Each team should name one leader as the contact.

Registration deadline

Any registration submitted after 13 November, 2019 will not be accepted.
