# How to find books?

The screenshot shows the top portion of the CJCUC Library website. At the top left is the CJCUC Library logo, which features a stylized figure holding a book. To the right of the logo is the text "CJCUC Library". Further right are links for "CJCUC", "Site Map", and "正體中文". Below this is a navigation bar with links for "Info Center", "About", "Search", "Research Service", and "Public Service". The main content area features a large banner for an event titled "Join the Ultimate Adventure of 圖書館的奇幻冒險 尋找大秘寶 Extravaganza SEP. 7-OCT. 4". The banner includes illustrations of books, a treasure chest, a map, and two children reading. To the right of the banner is a list of news items, each with a date and a "Message" link, followed by a "More News" link with a right-pointing arrow.

## How does this work?

Provides Google-like single search interface engine. Fast in searching school's resources, and can divide resources into categories and can also guide users to the origin of the resources. The search allow users to combine keywords with operators such as AND, OR, and NOT to further produce more relevant results (Boolean search). Users can also use the double quotes symbol for more accurate search. Search history and selected items can be automatically placed in a folder or My Documents without any saving documents action. If you want to cancel the selected item, then click again the selected item.
