PUBLISHING ETHICS 101

9 APRIL 2025 | DR COROMOTO POWER FEBRES

Ethical dilemmas in academic publishing aren't always black and white. From retractions to conflicts of interest, understanding publishing ethics is crucial for researchers, editors, and reviewers alike.

Join **Dr. Coromoto Power Febres**, Research Integrity Manager at Taylor & Francis, as she shares expert insights on:

- Common ethical pitfalls in academic publishing
- How editors and publishers uphold research integrity
- When and why Retraction, Correction, or Expression of Concern notices are issued
- Best practices to avoid submission issues
