Offline Job-matching Event - Taipei

The program aims to bridge the international students, graduates in Taiwan from diplomatic allies and emerging markets and local Taiwanese companies. The offline job-matching event offers overseas job and internship opportunities, so you can work for Taiwanese companies in your home country after graduation.

*If students need to work in Taiwan after graduation, employees and their employers would have to apply for the Visa independently.

Procedure of Application

Benefits

Vast job opportunities in your home country.

Internships specially customized for international students in Taiwan.

Becoming the connection between your home country and Taiwan. Create unique value.
