Article I The Chang Jung Christian University Student Information Skills Assessment Implementation Guidelines (hereinafter referred to as the Guidelines) is formulated to enhance the basic information skills of the University's students for further studies and employment.

Article II In addition to fulfilling the required credits of their department, students at the University shall pass the information skills assessment within their prescribed duration of study.

Article III. (Deleted).

Article IV Students who have not passed their information skills assessment within one year period to their prescribed graduation date may enroll in the Information Skills Development Course offered by the University. Those who pass the course shall be regarded as having passed the information skills assessment.

Article V Departments needing to increase the courses or standard of information skills assessment shall formulate their respective regulations, and upon approval by the Academic Affairs Meeting, the regulations shall be clearly specified in their admissions brochure.

Article VI Graduate students are required to complete register their information skills assessment threshold grade within prescribed time. Those who fail to do so shall be regarded as delayed graduate, and shall go through registration formalities.

1. Those who registered on or before the first day of class of Semester 1 may receive their graduate certificate in June of the current year.
2. Those who registered on or before the first day of class of Semester 2 may receive their graduation certificate in January of the current year.

Article VII Those with relevant certificate of disability issued by the Ministry of Education, Ministry of Health and Welfare, or county and municipal government, or who are special education students, and who meet the prescribed category and level of disability may be exempt from this Guidelines upon application and approval.

Article VIII The Implementation Regulations for this Guidelines is separately formulated.

Article IX This Guidelines is issued and implemented upon approval by the Administrative Meeting and University Affairs Meeting, and subsequent approval by the University President; the same procedures shall be applied to amendment.

Article X This Regulations is applicable to new and transfer full-time undergraduate students at the University who are enrolled in matched courses beginning the academic year of 2015 or later.
