Freshman Section / Notice of Freshmen

Please note the following before filling in freshman information:

- In order to cooperate with the Internet system operation of an "Educational Background Check" conducted by the Ministry of the Interior, students need to report their educational background. Freshmen of this semester (including those in the Day School, graduate students, transfer students, and those in the Bachelor program of extension education) need to fill in the General Information of Freshman from **2021/5/31 - 2021/9/1**. (Download the Operational Manual).
- When enrolling in the University, freshmen shall bring relevant documents according to the Guidelines for Freshmen (Attached Table 1).
- Please ensure the accuracy of the information in order to protect your right and interests. Please refer to instructions of the Guidelines for Freshmen [Entry of General Information].
- If there is any inaccurate information, a freshman shall bring relevant documents (Household Registration Book or ID Card) to the Registration and Curriculum Section to amend within one week after semester begins.
- Re-enrolled students do not need to verify their general information online.

If there is any question, please contact the Registration and Curriculum Division of Academic Affairs, Telephone Number: (06)2785123 ext.1110-1117, Thank you.

[Click here to verify general information of freshman before enrollment.](#)

- During the reporting period, students shall fill in complete information in all required fields. Information modification is allowed in the green column (student information) and the yellow column (guardian information).
- Other fields not allowed for modification shall use information available when students begin studying at the University. Any correction shall be made by bringing relevant documents to the unit in charge within required period.
- To log in to "Schools before enrollment", please choose "School Selection" and enter keywords (such as Chang) to select schools you went to before this University.
- English name (as shown on your passport) cannot be changed after checking and file saving. Any change of English name requires filling in the "Application Form of Data Change of Student Information" and processing the procedure at the Division of Registration and Curriculum.
- For any question, students can contact the responsible unit and please see the attached Table 1 of Guidelines for New Student.
- Please see instructions of New Student Information before filling in relevant data.(New Student Information)
