Article 1 To improve the quality, achieve the goal of the fundamental courses and enhance students' competence in fundamental courses, the College of Management at Chang Jung Christian University establishes the Regulations Governing Establishment of Fundamental Course Teaching Team of College of Management (hereinafter referred to as the Regulations).

Article 2 The fundamental courses specified in the Regulations include Economics, Accounting, Management, and Introduction to Information Technology.

Article 3 The Team consists of faculty teaching fundamental courses in the College of Management. The Team meeting shall be held at least once every semester. The convener and chairperson is elected by members with a term of a year and may be reelected once.

Article 4 The Team has the following responsibilities:

1. Review and determine the shared syllabus and teaching goal of the fundamental courses.
2. Review and determine the unified teaching materials of the fundamental courses.
3. Organize activities, examinations, or contests related to the fundamental courses.
4. Review and determine other matters related to the fundamental courses.

Article 5 The Regulations shall be implemented after being approved at the College Affairs meeting. The same procedures are applied to any amendments.
