Required credits　69

Elective credits　59

Total　128

The maximum elective credits from other departments that can be counted is　15

Chang Jung Christian University Department of Applied Japanese Language Curriculum List

(Curriculum Guides,2022 Academic Year)

required / elective course	No.	course name(ch)	course name	grade	semester	credit	hours/week instruction	parctice	Remark

1.Students must select a language other than Japanese for their "Foreign Language(basic)" and "Foreign Language(Intermediate)" courses.

2.The graduation requirement is 128 credits,including 0 credits of General Compulsory,10 credits of Language Compulsory,13 credits of General Education Compulsory,and 46 credits of Departmental Compulsory. 59 Elective credits is required. (Students must first complete two elective modules offered by the department.If the total elective credits remain below 59 after completing these modules, students may take electives from any department to fulfill the remaining balance. The recognition of credits taken outside the department is subject to the university's relevant regulations.)

3.Courses marked with "■" in the remarks column indicate that students must take one course in each of the four General Education domains:" Devotion," "Love," "Care," and "Action."

4.The department is divided into the following three modules and one interdisciplinary credit program. Students must complete the required number of credits for each module in order to obtain certification for that module:

(1)A -Language Module: A minimum of 18 credits is required.

(2)B -Translation Module: A minimum of 16 credits is required.

(3)C -Tourism and International Trade Module: A minimum of 18 credits is required.

(4)Interdisciplinary Credit Program in International Tourism Industry: A minimum of 16 credits is required.

5.Graduation Thresholds:

(1)Module Requirement: Students must obtain certification in at least two of the three modules (Modules A, B, and C) offered by the department.

(2)English Proficiency: Please refer to the thresholds announced by the Language Education Center.

(3)Japanese Proficiency: Please refer to the "Implementation Guidelines for Japanese Proficiency and Achievement Assessment" of the Department of Applied Japanese.

(4)Practical Ability: Please refer to the " Guidelines for Student Professional Practical Competency Assessment Department of Applied Japanese.

(5)Information Technology Proficiency: Please refer to the "Implementation Regulations for Student Information Competency Assessment" announced by Computer & Network Center.

The students enrolled in the 2022 academic year need to have 2 credits for Interdisciplinary Courses.The qualifications for "Interdisciplinary courses" are as follows:

(1)Students taking microcredit courses, or mandatory and elective courses from different departments or programs, can be counted as participating in Interdisciplinary Courses.

(2)The outline of the course shall not be the same as mandatory course from the original department (program).

(3)The name of the course shall not be the same as course from the original department (program).

(4)Credits from graduate courses will not be calculated.

(5)Credits from the school-developed curricula, including physical education, general education, language, and All-out defense education training courses, will not be calculated.
